Ethos
Specification
Sheet.

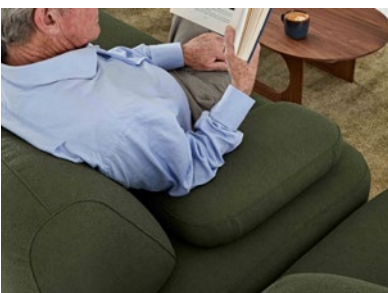

Ethos is a range designed for comfort and flexibility.

With its organic shapes, soft curves and quality finishes, Ethos is a range designed for comfort and flexibility. The three sofas that create Ethos make it easy to design a space that reflects your personality and lifestyle.

With the option for custom leg heights and a wide selection of seating shapes including curves, corners, and ottomans, Ethos is designed with flexibility at its core.

Furniture plays a key role in shaping spaces within the workplace. With an aligned design philosophy, Aspect and E9 Design create flexible, comfortable pieces that change to suit the ways in which we really want to use them.

Fitting the way you want to use your space, and aligning with your values, our custom designs make it easy to create a look that doesn't just lift your mood, it stands the test of time.
