Platform  
Specification  
Sheet.

---

Versatile in design,  
the Platform table  
can be customised to  
suit the personality of  
your space.

The Platform system boasts a casual yet refined profile that lends itself to a multitude of styles and spaces.

With its slim, angular design, Platform tables are ideal for any meeting or break-out setting.

Platform is available in both table and leaner heights, and can be powdercoated in any colour. Mix and match the top and base finishes of your Platform table to compliment your stools, chairs and decor accents.

# Aspect Design.

**As furniture designers, our user-centric approach places people at the heart of every decision we make.**

Applying 40+ years' of experience and craftsmanship, we create furniture to inspire and support people in their work every day. Manufacturing locally, and with full in-house design capability, we collaborate with interior designers, architects and clients to tailor-make environments.

We're here to support you in creating workplaces that encourage productivity, creativity and collaboration. High-performing spaces where high-performing people are empowered to do their best work.
